Dear Jaclyn,

Hello Jaclyn! How are you? First of all, I got to say a congratulations to you for your straight A honor students luncheon with your principal. That's a wonderful event for our all family. We proud of you so much. You are a smartest girl I have ever known!

Now I try to answer to your quesions;

1. Was Uncle Tom just learning how to ride a bike?--- I am not sure because of the picture taking in May 1971. 32 years ago! Long time ago---my memory chips are not so clear. But I can guess that Tom was always ahead than two sister in phisical activities specially in sports. That's why I presume he already knew how to ride it. But he always little be shy to show up. He just only gave a chance to Tina & Susan to show up the beginning ride proudly. Is n't it good explain?

2. Why didn't they allow Korean's to have their own pool? How did Japan get to rule Korea? Why did they want to?--- These are good quesions, but the answeres shuld be detailes to be understanded to you. I hope you may find the answers yourself through those history books someday. Didn't you say, you love history? I'm also glad to hear that your mommy translated my last letter to Jonathan in Korean. I hope your mommy are a good teacher to explain about Korean history.

3. Was the hotel you and stayed at on your trip pretty?---You know that how is the beautiful island, Key Biscane! I think I already wrote these matter to Jonathan in Korean and in English in bilingual---and also I mailed the copy to your mommy. Please refer the copy which may Susan has kept. But I have enclosed here some color prints about The Ritz-Calton in many defferent places in the world.

4. Did you have two rooms, one for you and Grandma and one for Uncle Tom, Aunt Christine and Carolyn?---This answer also is in the same letter to Jonathan in English. Please refer it there again. If Mommy didn't keep that letter, I will maill to you directly. Because of your Grandpa has filed all correspondences between his Grandchildren.

5. How old is Carolyn?---She is 3 years old. Her birthday is Dec. 19, 1999. She can speak English very well now, pretty soon Carolyn may call you!

6. Did you go jet skiing?--- I'm afraid not, I just got on the Jet to pose taking a picture sun rising from The Atlantic Ocean!

All your quesiones are answered and hope you may enjoied. I am very happy to write you because I just need to answer your quesiones. That's it very easy too!

P.S. 1. Rafael Lopez,'s CD---This is Uncle Tom bought for me. But I want to share with you.
